Customer Comments:

Storm Smart Ind. is nothing  
short of a "top shelf" first  
class" company; from their  
exceptionally professional + friendly  
Sales Rep to their installation  
"craftsmen" to their polite  
and courteous office personal.  
I give them a "AAA" Rating  
in my book.

I authorize Storm Smart Industries to use photographic images of my installation, me, or my comments for marketing purposes.
